Metro Life Flight Lecture Series

Dear Colleague:

You are invited to attend a series of lectures on the care of the critically ill patient. These seven lectures have been designed especially for EMT's, paramedics, and nurses involved in the pre-hospital or hospital care of the acute patient. Continuing education units will be awarded at the end of each of the lectures.

Refreshments will be served prior to each lecture. Come and meet your fellow pre-hospital and hospital providers.

Sincerely,

A handwritten signature in blue ink that reads "Charles J. Yowler".
