Keeping You Safe

What to Expect When you Arrive at any MetroHealth Location
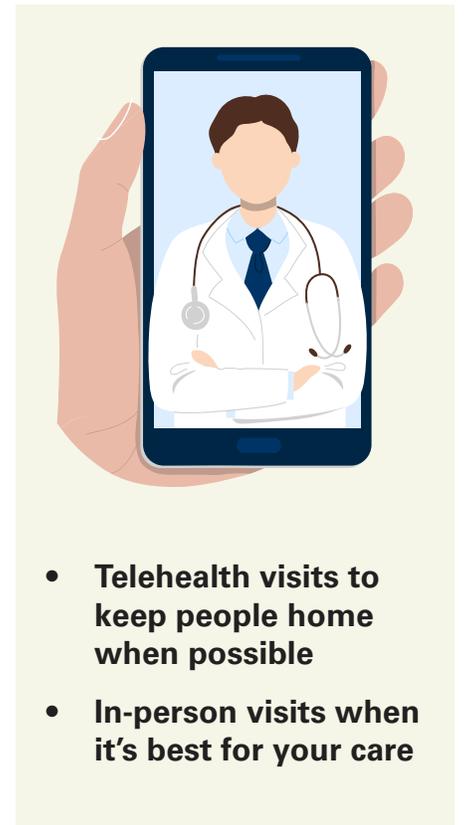

We have implemented the following safety measures at all campuses and health centers, including:

- **Will check for fever and respiratory symptoms**
- **Everyone must wear a mask**

Come by yourself unless medically necessary

- **Telehealth visits to keep people home when possible**
- **In-person visits when it's best for your care**

6 FEET
Social distancing in all areas

And Remember
Emergencies are still emergencies. Go to the ER for serious injuries and illnesses.

For more information, visit metrohealth.org/care-during-covid-19

We clean thoroughly and often
