

The MetroHealth System is seeking a board certified / board eligible Family Medicine Physician to work in our community practices. "Leading the way to a healthier you and a healthier community through service, teaching, discovery and teamwork," isn't just our mission, IT IS WHO WE ARE. From street medicine and school health to Pride, MAT and Correctional Medicine, we can help you care for the community you find the most fulfilling.

And, community isn't simply the geography and population surrounding our sites, it is the community of healthcare professionals within them. The MetroHealth System provides an excellent MetroHealthy Wellness Program and has an active Wellbeing and Engagement Committee, both focused on maintaining a healthy work life balance.

We are seeking innovative Family Physicians with a passion for providing care that is high quality, evidence-based and family centered.

Applicants must be board-certified and eligible for licensure in Ohio.

Benefits

MetroHealth offers a significant sign-on bonus and retention bonus. We offer a very competitive compensation package, health insurance, paid time off, liability insurance, an academic appointment to the Case Western Reserve School of Medicine faculty at a rank commensurate with experience, CME opportunities, malpractice coverage and an impressive pension program with a generous employer match through the Ohio Public Employees Retirement System (OPERS).

As a Family Medicine Physician, you have a number of opportunities to consider. However, few will offer you the deep personal and professional satisfaction of our university-affiliated, community engaged medical system. We have exceptional clinicians with extraordinary hearts, we hope you'd like to be one of them!

If you would like to be a join our MetroHealth family, please send a cover letter and CV to:
