

## ANNUAL REPORT 2023

**BRITTINGHAM**  
MEMORIAL LIBRARY

The Harold H. Brittingham Memorial Library was founded in 1937 to serve the patient care, research, teaching and administrative needs of MetroHealth staff including physicians, nurses, allied health professionals, fellows, residents, and students enrolled in various educational programs conducted by the hospital.

The Library facility occupies approximately 3,000 square feet of space on the second floor of the Rammelkamp Center for Education & Research.

### 2023 Statistics

#### 8,859 Bound Journals

#### 1,106 Print Books

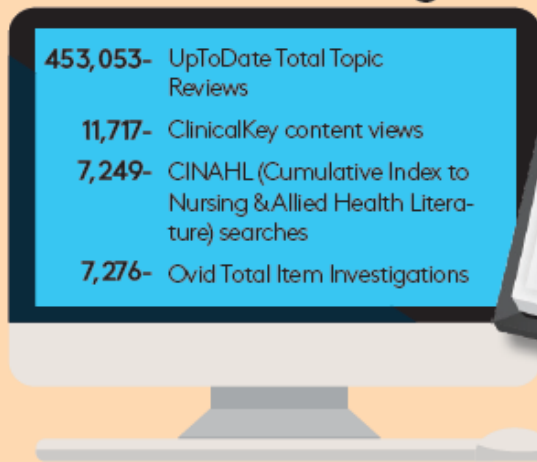

#### 2022-2023 Annual Campaign (12/1/2022 through 12/1/2023)

1,681 letters were mailed  
64 contributions  
received \$6,989.85 total

# The Year in Review

## The MetroHealth System

### Leadership

Airica Steed, Ed.D., MBA, RN, CSSMBB, FACHE, IASSC started December 5, 2022 as the President and CEO of MetroHealth and continued throughout 2023.

## The Brittingham Library

### Mission Statement:

To facilitate access to and use of information and informational resources to support patient care, research, teaching and administrative needs of the MetroHealth System.

### Vision Statement:

The Brittingham Memorial Library will be MetroHealth's flagship resource for high value programming and support of information and informational resources for MetroHealth staff and learners.

### Staffing Changes

Two Coordinator Library Services positions were filled on May 15, 2023 by Adora Glorioso, MA, MLIS and Jen Wasserman, MLIS. A. Glorioso is an experienced Solo Medical Librarian, with prior employment at University Hospital's St. John Medical Center. She solely conducted the daily operations and overall management of Brill Medical Library, serving medical students, interns, and residents, as well as healthcare providers and hospital administration. Prior to her work at St. John's A. Glorioso's worked at MetroHealth as a Community Mental Health (CMH) Psychiatry Assistant in the Department of Psychiatry from 2001 until 2009. J. Wasserman is a Technical Services Librarian with archives experience.

## MetroHealth Archive

The MetroHealth archives is under the oversight of the Legal department. The contents of the archive include personnel records (medical staff, resident credentials, HR records, nursing records), legal records such as contracts and litigation files as well as items of historical interest. Working with the Legal department, in 2023 the Library was authorized to take over the historical materials in the archive.

Taking over the non-personnel archives aligns with the Brittingham Library's overall mission, and this would provide significant value to the MetroHealth System. This was also part of the justification for adding new positions to the Library staff. The legal records are to be moved by Access Corp, a records and information management service, to an offsite location. The MetroHealth archives are located on the ground floor of the Rammelkamp building in rooms RG18 and RG18A.

A proposal for a new "archival task force" for 2024 was presented to the Library Board which would have the goal of helping coordinate/oversee non-employee paper archives, digital versions of non-digital materials, and new electronic archive. This task force would assist with the coordination and oversight the processing of the non-employee paper archives into the collection. It would also oversee the criteria for processing the digital/electronic archives.

## Physical Space

By the end of 2023 the plan to move the Library to the ground floor of Rammelkamp was abated and it was agreed that the Library would remain in its current location on the second floor of Rammelkamp.

Dr. John Chae was promoted to the Chief Academic Officer position. Consequently, he oversees all academic programs, and all of the space in Rammelkamp, including the Brittingham Library. In July Dr. Chae was given a tour of the Library's space and plans for the Library were discussed. Dr. Chae commented that his goal is not to have a basic library in the MetroHealth System, rather he wants a thriving Library in the MetroHealth System, which is aligned with the Library's goal. By the end of 2023 there were no plans to move the Library.

## Meetings and Educational Activities

### Committees/Professional Organizations

In 2023, Chief Librarian Laura Frater, attended the regularly scheduled meetings of the following:

- Continuing Medical Education Executive Committee
- Virtual Care Patient Engagement, Experience, and Education Committee
- Brittingham Library Nominating and Liaison Committee
- Brittingham Library Marketing and Communication Committee
- Brittingham Library Finance Committee
- Brittingham Library Grant application review Committee

Chief Librarian holds the following professional Association membership:

- Medical Library Association (MLA)
- Medical Library Association, Midwest Chapter (MCMLA)
- Medical Library Association, Hospital Section
- Medical Library Association of Northeastern Ohio (MLANO)

### Library Orientation

The Library staff gave 25 outreach presentations on the electronic resources and services available from the Brittingham Library to the following groups in 2023:

- Anesthesiology
- Baldwin Wallace University-The MetroHealth System (BW-MHMC): Master of Public Health (MPH) Program
- Medicine-Pediatrics
- Nurse Residency Panel Discussion
- Nursing
- Nutrition, dietetic interns
- Pathology
- Radiology
- Research

## Library Board of Directors

### Meetings

The full Brittingham Memorial Library Board met via WebEx video conferencing software on the following days in 2023:

- February 2, 2023
- April 6, 2023
- June 1, 2023
- August 3, 2023
- October 5, 2023
- December 7, 2023

Minutes of the Board meetings are on file in the Library.

The Brittingham Memorial Library Executive Committee met on the following days in 2023:

- January 4, 2023
- March 1, 2023
- May 3, 2023
- July 12, 2023
- September 6, 2023
- November 1, 2023

### Election of Officers and Trustees

Officers and Directors were elected at the December 7, 2023, Brittingham Library Board meeting.

#### Officers for 2023:

President, David C. Kaelber, M.D., Ph.D.  
 Vice-President, Lisa Ramirez, Ph.D.  
 Treasurer, Christopher R. McHenry, M.D.  
 Secretary, Laura A. Frater, M.L.I.S.

#### Director elected to serve for term ending 2026:

Maureen Dee, M.S.S.A.  
 Dennis M. Super, M.D.  
 J. Daryl Thornton, M.D.

## Committee Activities

### Marketing and Communication Committee

Lisa Ramirez, Ph.D. is the chair of the Marketing and Communications Committee, and members include the following individuals: John Campanelli; Maureen Dee, M.S.S.A; Margarita M. Diaz, MSN, RN; Laura Frater, MLIS; Trish Gallagher, CPCS, CPMSM; Adora Glorioso, MA, MLIS; Diane Suchetka; Dennis M. Super, M.D. and Jen Wasserman, MLIS. The Marketing and Communication Committee focused on the Brittingham Library's Oral History project and Branding in 2023.

**Branding –Pamphlet and Icon:** The Brittingham Library's pamphlet was updated with the help of the Marketing department at MetroHealth. A large portion of this project included updating the Library's graphic or icon. The Library worked with ad agency, Devito/Verdi on this project, which also updated the

MetroHealth system logo. The final icon has the same color palate and the same font as the new MetroHealth logo, so it is unique to the Library but still ties in with the MetroHealth logo and looks very synergistic. Devito/Verdi also assisted in the creation of a tagline for the Library: "At the Forefront of Healthcare Information."

**Increased Visibility - Medical Staff Newsletter and MIV:** The Library started contributing regularly to the Medical Staff Newsletter in 2022 and this continued throughout all of 2023. There is a Library section in the newsletter to highlight news about the Library, resources, and projects. Starting in 2022 and continuing in 2023, the Library started having regular content on the MIV. This includes stories about oral history interviews posted in the "People News" section of the MIV, along with a link to the full interview on the Library's MIV page and the Library's page on the external metrohealth.org page.

**Oral History Project Reboot:** The Oral History project that was started under the direction of Drs. Nash and Fratianne in 2004 to document the hospital's evolution over the past 50 years. The project was rebooted in 2022 and in 2023 two MetroHealth Medical Hall of Honor Inductee were interviewed. The first oral history interview was recorded on January 18, 2023 with Dr. Terry Stancin, who is the retired Chief of Psychology. On October 6, 2023 Gary Clark, MD was interviewed, he became the founding chair of the Physical Medicine and Rehabilitation Department (PM&R) for MetroHealth and Case Western Reserve University.

The committee established the following nomination criteria and selection process for future interviews:

### Brittingham Memorial Library Oral History Interview Nomination Criteria:

An individual or group/program nominee for the Brittingham Memorial Library oral history interview will be based on the following criteria:

1. **Leadership (any of the following criteria):**
  - a. Longevity in tenure (historical context)
  - b. Contributions to MetroHealth
  - c. Establishing innovative or groundbreaking programs
  - d. Other distinct impact
2. **Innovation/Impact:**
  - a. Demonstrated unique contributions, advocacy and/or impact around a medical or public health issue
  - b. Addressing equity in care/health disparities
3. **National Awards or Special Recognition**
4. **Service**
  - a. Longevity; institutional knowledge
  - b. "MetroHealth mission personified"
5. **Diversity:**
  - a. First of an underrepresented group in their roles
  - b. Impact on DEI culture/practices/influence in community or hospital system
6. **Program**

### Oral History Interview Selection Process:

1. Nominations will be solicited at one-year intervals with a gap every third year.
2. A selection committee will select new interviewees using the criteria stated above.
3. Selectors rank each candidate and the top 5 will be selected.

## Nominating and Liaison Committee: Nominating Committee

Raman Marwaha, M.D. is the chair of the Nominating and Liaison committee, and members include the following individuals: David Kaelber, M.D.; Laura Frater, MLIS; Daryl Thornton, M.D.; and Leonard Weiss, D.D.S. There was a great deal of turnover on the Library Board in 2023.

The following directors resigned from the Brittingham Library Board in 2023:

April 2023: Christine Dziedzina, MSLS  
 June 2023: Joseph Tomashefski, MD  
 July 2023: Julie Tsirambidis, DNP, APRN, CNP  
 August 2023: Richard Blinkhorn, MD  
 December 2023: Margarita Diaz, MSN, RN  
 December 2023: Edward Sivak, MD

The following directors joined the Brittingham Board in 2023:

October 2023 (Term ending 2024): Vidya Krishnan, MD  
 December 2023 (Term ending 2024): Megan Flannery, MSN, APRN, CNP

**Resident/Fellow Representatives:** At the December 2023 meeting a motion was passed to create a Resident/Fellow Representative position on the Board with a two-year term. The Resident/Fellow Representative position will consist of one resident and one fellow who should have two years left in their tenure at MetroHealth at the time of their appointment, these are non-voting positions. For the sake of continuity, the representatives will be staggered during the calendar year to ensure that, in any given year, only one representative is rotating off, while the other continues to be on the Board. Every year the Board will alternate between nominating one representative that is either a resident or fellow.

## Nominating and Liaison Committee: Liaison Committee

Raman Marwaha, M.D. is also chair of the Liaison committee, and members include the following individuals: Marina Abramov, Nicole Bernardo, Mary Borovicka, Kim Cunningham, Michael Flint, Kelly Gilhousen, Wesley Lindberg, James Malson, Kimberly Montgomery, Taylor Orvosh, Kathryn Plummer, Christina Randolph, MD, Darerian Schueller, and Lucinda Timberlake-Kwit.

The Liaison Committee was created in early 2022 and continued to meet throughout 2023. The goal of the committee is to “disseminate information about the Brittingham Memorial Library to constituent services or departments and to provide feedback to the Brittingham Memorial Board, which will aid in the expansion and development of additional meaningful library services.” The committee included members from broad representation of the MetroHealth System. This included both clinical and non-clinical faculty, trainees, researchers, nursing personnel, technologists, and administrators.

## Finance Committee

Agnes Loeffler, M.D., Ph.D. is the chair of the Finance Committee and members include the following individuals: Christopher McHenry, M.D.; and Laura Frater, MLIS. Members of the grant review committee include the following: Agnes Loeffler, M.D., Ph.D., David Kaelber, MD, Dennis Super, MD. And Laura Frater, MLIS.

**Library Grant program:** The Library's grant program that was created in 2022 continued into 2023. It offered grants of up to \$5,000 for programs or activities that improve library support of patient care, research, teaching, and administration. The goal is that the Board will fund projects that drive the Library's mission to provide high-value programming and support of information and resources for MetroHealth staff and learners.

In June 2023 the grant funding guidelines were adjusted to dedicate half of the available funds to acquisitions of educational material. The other half of the funds would continue to be earmarked for new projects. The following grants were awarded in 2023:

Sarah Greywitt	"Instructional Design: Funding for Textbooks"	\$545.69
Dr. Sirisha Kundrapu	"Library Utilization in Writing Workshop in Department of Pathology"	\$4,100.00
Nancy Phuong	"Pediatric MedStudy"	\$3,744.00
Dr. Ziad Shaman	"SIM Activity Kit: Friday Night at the ER"	\$4,850.00
Tricia Kachmyers	"Social Work Book Acquisition: <i>A Comprehensive Guide to Safety and Aging: Minimizing Risk, Maximizing Security</i> "	\$330.00
Arnav Mahajan	"Catalyzing Research through Clinical Insight Translation and Data Utilization"	\$5,000.00
Mirit Balkan	"Spiritual Care Book Club"	\$1,048.50

## Library Tax Reports

The Library Tax Reports were filed in time to meet the deadline of November 15, 2023. A filing extension was granted from the May 15, 2022, deadline. Andrew Henton from Henton and Associates assisted with the preparation of the Library's tax report.

## Library Annual Campaign

The Library campaign letter for the 2022-2023 campaign was written, and 1,681 letters were mailed out on December 1, 2022. The Library received \$6,989.85 from 64 contributions with an average contribution of \$109.22. Of the contributions received, \$6,000.00 were from checks that were mailed in and \$1,017.18 was through the Give Lively online donation option, with \$27.33 in Stripe fees.

- MedStudy. **PEDIATRICS CORE** (5 volume set). Colorado Springs, CO: 2024-2025. (5 volumes)

# Glossary

TERM	DESCRIPTION
CINAHL	The CINAHL (Cumulative Index to Nursing and Allied Health Literature) database provides references to nursing and allied health literature. It also contains some additional nursing materials not indexed by PubMed. CINAHL provides full text for hundreds of nursing and allied health journals indexed in the CINAHL database.
Circulation	The lending of library materials (books, journals, and other material) to library patrons.
ClinicalKey	ClinicalKey is a clinical search engine from Elsevier that includes full text medical textbooks, medical journals, images, videos, First Consult content and much more.
COUNTER	Launched in March 2002, COUNTER (Counting Online Usage of Networked Electronic Resources) is an international code of practice used to measure the usage data in a consistent way.
COUNTER Searches_Platform	A COUNTER Metric Type used to report searches conducted on a platform. Note: Searches conducted against multiple databases on the platform will only be counted once. <a href="https://www.projectcounter.org/appendix-glossary-terms/">https://www.projectcounter.org/appendix-glossary-terms/</a>
COUNTER Total_Items_Investigations	A COUNTER Metric_Type that represents the number of times users accessed the content (i.e. full text) of an item, or information describing that item (i.e. an abstract). This also counts every click where a user downloads the full content of an item (article, table of statistics, etc) from a database. But, in addition, it counts clicks on other information (abstracts, etc) and clicks on links to other details like clicks on link resolvers. <a href="https://www.projectcounter.org/appendix-glossary-terms/">https://www.projectcounter.org/appendix-glossary-terms/</a>
COUNTER Total_Item_Requests	A COUNTER Metric_Type that represents the number of times users requested the full content (i.e. full text) of an item. Requests may take the form of viewing, downloading, emailing, or printing content, provided such actions can be tracked by the content provider's server. <a href="https://www.projectcounter.org/appendix-glossary-terms/">https://www.projectcounter.org/appendix-glossary-terms/</a>
COUNTER Unique_Item_Investigations	A COUNTER Metric Type that represents the number of unique Content Items investigated in a user-session. This counts clicks on information and clicks to download. But again, it only counts one click per item per session. If the user clicks on two pieces of information about the same item in a session (for example), only the first click is counted. <a href="https://www.projectcounter.org/appendix-glossary-terms/">https://www.projectcounter.org/appendix-glossary-terms/</a>
COUNTER Unique_Item_Requests	A COUNTER Metric Type that represents the number of unique content items requested in a user-session. Examples of items are articles, book chapters, and multimedia files. This counts clicks to download the full content of an item (article, etc). However, it only counts one click to download per item per session. If the user downloads the same item two times or more in a session, only the first click is counted. <a href="https://www.projectcounter.org/appendix-glossary-terms/">https://www.projectcounter.org/appendix-glossary-terms/</a>

COUNTER Unique_Title_Investigations	A COUNTER Metric Type that represents the number of unique titles investigated in a user-session. Examples of titles are journals and books. This also counts clicks to download the full content of a book, but it also counts clicks on information about a book or a section of a book. Again, it does not count repeated clicks on the same book in the same session. So, if the user clicks to view information on Section 1, then clicks to view information on Section 2, and finally clicks to download the full content of Section 2, only the first click is counted <a href="https://www.projectcounter.org/appendix-glossary-terms/">https://www.projectcounter.org/appendix-glossary-terms/</a>
Interlibrary Loan	Interlibrary Loan (ILL) is service in which the Library borrows material (journal articles, books, book chapters, etc.) that are owned/available from a lending library or supplies material to another library. Some libraries charge for materials while other libraries do not.
Items Cataloged	A unique description of each item in the Library's collection will be provided to assist library user in determining what is available in the library and where materials are located. The Brittingham Memorial Library currently uses Sydney Enterprise for its OPAC (Online Public Access Catalog), and for its cataloging management system. Items that are cataloged include but not limited to the following: books, study materials, CD-ROMs and DVDs.
Journal Issues Received/Checked-In	A count of the print journal issues that were received via mail and recorded in the Kardex file.
Library Presentations	Upon request, formal Library orientation programs to learn about the Library and how to use it are conducted by the Chief Librarian. These presentations include descriptions of Library services and instruction on the databases provided by the library (PubMed, OvidSP, CINAHL, ClinicalKey, and UpToDate). Informal tours of the Library and database tutorials are given as needed.
OvidSP	The Medline database can be accessed through OVIDSP. This platform also provides access to several full text journals.
Photocopies/PDF Articles	Patrons requesting articles that cannot be obtained electronically are copied by the Library staff and sent as a PDF document via email.
Searches & Reference Transactions	Reference Transactions are information interchanges that require the knowledge, use, recommendations, interpretation, or instruction in the use of information resources by a library staff member in order to meet an individual's information need(s). Information resources include the following: PubMed, OvidSP, ClinicalKey, UpToDate, CINAHL, electronic/print journals, electronic/print books, and the internet. Reference transactions cover a wide range of topics or database tutorials and typically take anywhere from a few minutes to a few hours to complete. An average database search takes about one hour to complete.
UpToDate	UpToDate is specifically designed to answer the clinical questions that arise in daily practice and to do so quickly and easily so that it can be used right at the point of care. This database also features a drug database/drug interaction database, medical Calculators, a "What's New" section, and patient information.

# Library Floor Plan

## Brittingham Memorial Library

Approximately 3,000 Sq. Ft.

## Office of Opioid Safety

Approximately 6,000 Sq. Ft.
