

Cleveland State University School of Nursing Offers a Master of Science in Nursing (MSN) Degree at The MetroHealth System Main Campus

Are you interested in returning to school for your MSN, but unsure about the online learning environment? *This program uses a blended delivery approach (face-to-face and online delivery of course work)*

Cleveland State University (CSU) School of Nursing is partnering with MetroHealth to offer a MSN Degree at MetroHealth Main Campus. All courses will be taught by CSU School of Nursing Professors.

The Fourth cohort will begin May 2020, with classes taking place Wednesdays, 4:30pm-7:30pm at MetroHealth Main Campus.

Highlights of the CSU School of Nursing MSN Degree program include:

- Complete your degree in **two years** by taking two courses per semester
- Receive up to \$6,000 per calendar year with MetroHealth's Tuition Assistance Program
- Choose from four specialization tracks including Nursing Education, Clinical Nurse Leader, Specialized Populations in Nursing, and Forensic Nursing
- Courses taught by CSU School of Nursing professors
- The master's degree in nursing program at Cleveland State University is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036, 202-887-6791.
- All courses are Quality Matters™ approved and meet national standards for excellence in online course design
- CSU has a Budget Payment Plan option that will allow for 25% to be paid upfront each semester with the balance being paid up to 21 days after the term is over giving employees time to receive their tuition assistance.
