What is MetroHealth N.E.T.?

MetroHealth N.E.T. stands for Now, Every day, Tomorrow (N.E.T.). As an affiliated committee of The MetroHealth Foundation Board of Directors, this group of young, professional, civically-minded leaders is committed to advancing The MetroHealth System's mission, expanding the network of members, and creating a culture of philanthropic support.

Our mission is to leverage the resources of the emerging professionals community to promote and sustain MetroHealth initiatives that create a healthier Northeast Ohio community, and to support the MetroHealth Transformation.

What does MetroHealth N.E.T. do?

The MetroHealth N.E.T. Committee organizes and hosts several events each year to raise important funds – and awareness –that sustain the work of MetroHealth. 2018 events included:

- MetroHealth N.E.T. Fast Pitch: The *Shark Tank*-style live event featured pitch presentations by several MetroHealth programs in need of funding. The proceeds from the event were awarded to the program receiving the most votes by those in attendance.

- Raising the NETs Volleyball Tournament: The Committee's annual volleyball tournament drew nearly 200 people for an afternoon of fun competition and raised $10,000 for the MetroHealth Transformation.

- Several smaller social and networking events also are held each year that draw N.E.T. Committee members and members of the MetroHealth Foundation Board of Directors.
