The MetroHealth School Health Program is excited to be partnering with our CH-UH sites again this Summer. A few updates for the clinic schedule.

- Services are available to all students within CH-UH school district.
- All services will be provided at Heights High School.
- Services offered will be preventive care. No “sick visits” – these will be converted to telehealth.
- Students will be given a scheduled appointment time.
- For scheduling:
  - Parent/Guardian please call the School Health Program at 216-957-1303
  - Consent: Please complete consent prior to visit, if unable to, parent/guardian will need to complete day of visit. CH-UH consent can be found at following website:

## MetroHealth Care for Students During the School Day

The Institute for H.O.P.E. School Health Program is partnering with your school district to offer health care services on-site at your child’s school. Your child will now have easier medical service access during the school day.

## What services does MetroHealth provide?

- Annual physicals
- Sports physicals
- Injury/illness care
- Routine lab tests
- Prescription medications
- Teen services
- Mental/behavioral health
- Immunizations
- Care for chronic conditions, including asthma, allergies, diabetes and seizure disorders
- Health education and prevention
- Telehealth, to supplement in-person care

## How can my child participate?

Complete the Institute for H.O.P.E. School Health Program consent packet at [metrohealth.org/school-health](http://metrohealth.org/school-health) or at your school office. The program is open to all students who have a signed parental consent form on file, which remains valid while the child attends school in the district.

## How do I schedule a school-day appointment?

Call the Institute for H.O.P.E. School Health Program at 216-957-1303 or request an appointment through your school nurse.
