About MetroHealth

Founded in 1837, MetroHealth is leading the way to a healthier you and a healthier community through service, teaching, discovery, and teamwork. Cuyahoga County's public, safety-net hospital system, MetroHealth meets people where they are, providing care through five hospitals, four emergency departments, and more than 20 health centers. Each day, our nearly 9,000 employees focus on providing our community with equitable healthcare—through patient-focused research, access to care, and support services—that seeks to eradicate health disparities rooted in systematic barriers. **For more information, visit metrohealth.org.**
