2025 DONOR IMPACT REPORT

Together, We're Building Northeast Ohio's Home for Health

Founded in 1837, MetroHealth is Cuyahoga County's public, safety-net health system, serving Greater Cleveland for nearly two centuries. We are home to the region's most experienced Level 1 Adult Trauma Center, one of only two adult and pediatric and burn centers in Ohio, and a nationally recognized Rehabilitation Institute. Every day, more than 8,000 caregivers provide high-quality care across four hospitals, four emergency departments and more than 20 health centers, meeting people where they are and addressing social drivers of health while removing barriers to care through community programs and services.

METROHEALTH 2030: OUR BOLD VISION

-  **Reimagining care** so you have what you need - when and where you need it
-  **Evolving our workforce** so we can serve you better
-  **Acting nimbly** so we can adapt to the evolution of healthcare

Through MetroHealth 2030, we're focused on helping you find your healthy - the healthy that will change everything for you. Find a provider, see our locations or schedule an appointment at metrohealth.org/appointment.

The MetroHealth Foundation

Founded in 1954, The MetroHealth Foundation is a 501(c)(3) nonprofit organization that serves The MetroHealth System by securing funding and community support for MetroHealth's strategic priorities.

Together, we raised \$20.1 million in 2025 to power hope and healing for every person who walks through our doors. Your generosity funded life-changing programs, strengthened care and moved us closer to our vision: Northeast Ohio's Home for Health. Gifts of every size helped us exceed our fundraising goal - because every gift matters. Thank you!

YOUR IMPACT IN 2025

Nurse-Family Partnership

You helped Danielle and hundreds of first-time moms receive home visits, education and support for healthy pregnancies and thriving babies.

School Health Program

You helped make care accessible for 6,200+ students in nearly 30 schools, breaking barriers and building healthier futures.

MetroHealth Rehabilitation Institute

You helped Dee and so many others receive nationally recognized rehabilitation for stroke, brain, spinal and mobility recovery.
