

Child Life Specialist: Career Exploration Session

Would you like to learn more about the Child Life profession and how to become a Certified Child Life Specialist?

What are Child Life Specialists?

Certified Child Life Specialists are trained professionals who help children and families cope with the stress and uncertainty of illness, injury, disability and hospitalization.

Attend an informational session and discover what being a Certified Child Life Specialist is all about. We'll talk more about the role of a Certified Child Life Specialist, the steps necessary to pursue a career in the field of Child Life, and resources available to students to enhance their learning and networking in the Child Life community. Questions and dialogue are encouraged!

Certified Child Life Specialists from Northeast Ohio pediatric hospitals will host virtual sessions four times a year:

January – Rainbow Babies and Children's Hospital **2nd Saturday**

April – MetroHealth **1st Tuesday**

August – Cleveland Clinic Children's Hospital **1st Monday**

October – Akron Children's Hospital **2ND Wednesday**

RSVP

At least 1 week prior to the scheduled session (please make note of the similar but different email addresses). More information about the presentation will be emailed to you directly after receiving your RSVP.

JANUARY – CHILDLIFESTUDENTS@UHHOSPITALS.ORG

APRIL – CHILDLIFE@METROHEALTH.ORG

AUGUST – CHILDLIFESTUDENT@CCF.ORG

OCTOBER – CHILDLIFEACH@AKRONCHILDRENS.ORG
