Declare the Official Intent of MetroHealth to Reimburse Expenditures
From Proceeds of Tax-Exempt Obligations

ADOPTED: May 22, 2019

RESOLUTION 19297

WHEREAS, The MetroHealth System (“MetroHealth”) intends to finance certain capital projects from time to time (each a “Capital Project” and collectively, the “Capital Projects”) on a long-term basis with proceeds of tax-exempt obligations;

WHEREAS, MetroHealth may pay for certain costs of such Capital Projects (“Project Costs”) with funds of MetroHealth, or an affiliate of MetroHealth, prior to the time tax-exempt obligations are issued to finance such Project Costs;

WHEREAS, United States Treasury Regulations Section 1.150-2 (the “Reimbursement Regulations”) prescribe conditions under which proceeds of bonds, notes or other obligations (“Tax-Exempt Obligations”) can be used to reimburse advances made for certain expenditures paid before the issuance of such Tax-Exempt Obligations, will be deemed to be expended (or properly allocated to expenditures) for purposes of Sections 103 and 141 to 150 of the Internal Revenue Code of 1986, as amended (the “Code”), so that upon such reimbursement the proceeds so used will not further be subject to requirements or restrictions under those sections of the Code;

WHEREAS, certain provisions of the Reimbursement Regulations require that there be a Declaration of Official Intent not later than 60 days following payment of the expenditure expected to be reimbursed from proceeds of such obligations, and that the reimbursement occur within prescribed time periods after the expenditure is paid or after the property is placed in service; and

WHEREAS, this Board has determined to designate the Chief Financial Officer of MetroHealth as a person authorized to declare official intent in compliance with the Reimbursement Regulations with respect to future capital expenditures;

NOW THEREFORE, BE IT RESOLVED by the Board of Trustees of MetroHealth as follows:

Section 1. MetroHealth hereby authorizes its Chief Financial Officer (or chief executive officer or other person who carries out the duties and obligations of the Chief Financial Officer, if the Chief Financial Officer is for any reason unavailable), in his sole discretion after consultation with counsel, to (a) execute certificates in substantially the form of Exhibit A (the “Declaration of Intent Certificates”) on behalf of MetroHealth for Project Costs which are reasonably expected to be reimbursed from proceeds of Tax-Exempt Obligations, to the extent that such Project Costs are paid prior to the issuance of the expected Tax-Exempt Obligations, (b) make appropriate reimbursement and timely allocations from the proceeds of Tax-Exempt Obligations to reimburse such prior expenditures, and (c) take any other actions as may be required under the Reimbursement Regulations to satisfy the requirements for the reimbursement to be treated as an expenditure of such proceeds for purposes of Section 103 and 141 to 150 of the Code.

- (e) The proceeds of Tax-Exempt Obligations used to reimburse MetroHealth for the Project Costs, or amounts corresponding to such amounts, will not be used in a manner that results in the creation of “replacement proceeds”, including “sinking funds”, “pledged funds” or funds subject to a “negative pledge” (as such terms are defined in Treasury Regulations Section 1.148-1) of such Tax-Exempt Obligations or other issues of debt obligations of the MetroHealth System, other than amounts deposited into a “bona fide debt service fund” (as defined in Treasury Regulations Section 1.148-1); and
- (f) All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than Tax-Exempt Obligations is paid, or (ii) the date the financed Project is “placed in service” (within the meaning of Treasury Regulations Section 1.150-2, or any successor provisions) or abandoned, but in no event more than 3 years after the expenditure is paid.
- (g) This certification is intended to be a declaration of The MetroHealth System’s official intent to reimburse such expenditures, for purposes of Treasury Regulations Section 1.150-2.
